

Translation Localization Terminology Content management

Since 1993 ANTHEA Languages has been offering translation, multilingual content management and publishing services to large and small sized companies in all business sectors: from manufacturing to the information industry, energy, environment, transport, media or finance.

Whatever your market, we provide professional services that meet your quality requirements.

:: Manufacturing Transportation Defense

Multilingual communication of the highest quality is of the essence if you want to hold your market share, rationalize your process and reduce costs.

Being an ISO 9001 certified company we are used to topics such as continuous improvement, quality programs and document processing. Using the appropriate project management methods and tools we help you publish and manage various language versions of your documents, websites, procedures and product sheets.

The documents we deal with:

- Internal and external communication,
- Legal publications,
- Case studies,
- Meeting reports,
- Manuals/technical documents,
- Firearms user manuals,
- description of the company profile,
- Newsletters,

Our customers within this sector include:

- CBR
- CMI
- DOW Canada
- DuPont
- Dycor
- FN Herstal
- Harris
- NMC
- Promaxis
- Schneider Electric
- TNT Express

ANTHEA Languages provides a full range of services in the area of international business, including **multilingual content management** and **translation** in more than forty languages, software and website **localization**, **language training and consulting**, management seminars, as well as international communication strategy building.

At ANTHEA our mission is to help each of our customers overcome cultural, linguistic and economic barriers to become a significant player in the ever expanding world of international business.
